## 1. Rationale

The Governing Body is required to draw up a statement of general policy on the circumstances under which charges are made to parents. This policy will be reviewed annually in the Autumn Term.

## 2. Admission to the Academy

No charge is made for a child's admission to the Academy.

## 3. Education in Academy Hours

No charge is made for education provided during Academy hours. "Academy hours" are those when the Academy is actually in session and do not include the lunchtime break. If most of the time spent on a non-residential out of Academy activity is in Academy hours, no charge is made for the activity.

## 4. Transport

The Academy **cannot** charge for:

- transporting registered students to or from the Academy premises, where the local education authority has a statutory obligation to provide transport;
- transporting registered students to other premises where the governing body or local authority has arranged for students to be educated;
- transport that enables a student to meet an examination requirement when he has been prepared for that examination at the Academy; and
- transport provided in connection with an educational visit.

## 5. Residential Activities

If the Academy organises a residential visit and the number of Academy sessions taken up by the visit is equal to or greater than 50% of the number of half days spent on the visit, it is deemed to have taken place during Academy hours (even if some activities take place late in the evening). Whatever the starting and finishing times of the Academy day, regulations require that the Academy day is divided into 2 sessions. A 'half day' means any period of 12 hours ending with noon or midnight on any day.

The Academy **cannot** charge for:

- education provided on any visit that takes place during Academy hours;
- education provided on any visit that takes place outside Academy hours if it is part of the national curriculum, or part of a syllabus for a prescribed public examination that the student is being prepared for at the Academy, or part of religious education;
- supply teachers to cover for those teachers who are absent from the Academy accompanying students on a residential visit.

The Academy **can** charge for:

- board and lodging and the charge must not exceed the actual cost.

When the Academy informs parents about a forthcoming visit, they should make it clear that parents who can prove they are in receipt of the following benefits will be exempt from paying the cost of board and lodging:

- Universal Credit in prescribed circumstances;
- Income Support (IS);
- Income Based Jobseekers Allowance (IBJSA);
- support under part VI of the Immigration and Asylum Act 1999;
- Child Tax Credit, provided that Working Tax Credit is not also received and the family's income (as assessed by Her Majesty's Revenue and Customs) does not exceed £16,190;
- the guarantee element of State Pension Credit;
- an income related employment and support allowance that was introduced on 27 October 2008.

## **6. Voluntary Contributions**

The Academy does not make a charge for Academy time activities falling within the National Curriculum. For activities falling outside the National Curriculum, the Principal, or an authorised member of staff, may suggest voluntary contributions from parents to supplement the curriculum. Such requests will make it clear that contributions are voluntary and that children of parents who do not contribute will not be treated differently from other children except that equipment cannot be removed from the Academy premises, for example in the case of iPads. If a particular activity cannot take place without some help from parents, this will be explained at the planning stage. Where there are not enough voluntary contributions to make the activity possible and there is no other way to make up the shortfall, then it will be cancelled if alternative solutions cannot be reached.

## **7. Ingredients or Materials**

Ingredients or materials for items to be made in the Academy, the Principal or a member of staff acting on her behalf may invite parents to provide or pay for ingredients or materials for items to be made in the Academy and subsequently taken home.

## **8. Uniforms**

Students are required to wear Academy uniform, particulars of which are given in the Academy prospectus. The whole cost of uniform is to be met by parents.

## **9. Public Examinations**

No charge is made for entering students for public examinations that are set out in government regulations and for which students have been prepared in the Academy. However, an entry fee is re-charged to parents if, without good reason, a student fails to complete the requirements of any public examination. The fee for remarking is recharged to parents where the request is made by them rather than the Academy. In the case of resits, the fee is recharged to parents plus a charge of £5.00 per module as a contribution towards the Academy's administrative costs.

## **10. Musical Instruments**

A charge is made for musical instrument tuition provided as part of the Saint Wilfrid's Music School.

## **11. PE Options**

Throughout the various key stages, the PE Learning Area may run an options scheme. Whilst the majority of options are free, parents may wish to enrol their child on an option that incurs a cost. From time to time the PE Learning area undertake fundraising events (often involving sponsorship) in order to provide resources for a teaching assistant who will assist with teaching, extra-curricular provision and administrative support.

## **12. Loss of, or damage to, Academy property**

The Academy will expect parents to cover the cost of Academy property lost or damaged as a result of the action of the student concerned.

## **13. Books or Equipment which are desirable, but not essential**

The Principal or a member of staff acting on her behalf may, from time to time, recommend the purchase of books or equipment which may be helpful to students. Such purchases are voluntary and items will remain the property of parents.

## **14. Private tuition or activities outside Academy hours**

Where a member of staff agrees with parents to provide private tuition or activities outside Academy hours, such an arrangement is regarded as being outside the Academy's responsibility and costs are a matter for agreement between the parties concerned.

## **15. After hours Academy Tuition**

A charge may be incurred for after hours Academy tuition.
