

What will I study?

Three separate GCSEs, one in Biology, one in Chemistry and one in Physics. Each of the three Sciences is taught, examined and graded separately. The exam board is AQA:

- The Biology specification code is 8461
- The Chemistry specification code is 8462
- The Physics specification code is 8463

How will I be assessed?

Written Examinations **100%**

All three courses are linear which means all examinations take place at the end of the course. Each of the three subjects will have two exams, so there will be six exams in total. Each exam lasts 1 hour 45 minutes.

What might this subject lead you on to after leaving school?

- Any Science degree at University.
- Careers such as Medicine, Dentistry, Veterinary Science, Nuclear Physicist, Research Chemist, Engineer.
